# Jump Rope Readers Fiction

## One-Page Phonics Scope & Sequence Reference

### Set A — Foundational (6 series)

- **S1 — Red (VC/CVC Base):** Early consonant set (m, t, s, n, p, d, g) with short ă focus, then ĭ/ŏ added; simple VC/CVC words; limited use of ss. No blends yet.
- **S2 — Orange (CVC Expansion):** Adds c, k, ck, r, u, h; continues short-vowel VC/CVC; introduces more high-frequency words in connected text.
- **S3 — Gold (Full Short-Vowel Set Begins):** Adds b, short ĕ, and double finals ff/ll/zz; broadens word shapes while staying in VC/CVC.
- **S4 — Green (Consonant Set Completes):** Adds j, v, w, y, x; cumulative CVC practice across all short vowels.
- **S5 — Blue (Bridges & Finals):** Adds qu; introduces common word-final spellings -e, -o, -y (not VCe) and first ch; maintains short-vowel decoding.
- **S6 — Purple (Digraphs):** Progressive work with ch → sh → th (voiced/unvoiced) → wh → ng; consolidates short-vowel decoding with digraphs.

### Set B — Extension & Multisyllabic Readiness (6 series)

- **S7 — Grape (Strategic Review + CV):** Purpose-built consolidation of Set A (all consonants/short vowels, ff/ll/ss/zz, ck, ch/sh/th/wh/ng) and CV open-syllable words.
- **S8 — Blueberry (Silent-e/VCe Runway):** Systematic VCe introduction a_e → i_e → o_e → u_e → e_e across the series; continues prior patterns.
- **S9 — Lime (Inflectional Endings & Rimes):** Adds -s/-es, -ing, -ed and high-utility rimes i(ld/nd), o(ld/lt/st); introduces final y = /ē/.
- **S10 — Lemon (Vowel Teams + C-le):** Core vowel teams ai/ay, ee/ea=/ē/, oa, ow=/ō/, igh, oo/ew and consonant-le (-le) final stable syllables.
- **S11 — Tangerine (R-Controlled + Soft c/g):** ar, er, ir, or, ur; adds soft c/g and -dge.
- **S12 — Raspberry (Diphthongs & Specials + Wrap-Up):** ou/ow=/aʊ/, oi/oy, au/aw; also y = /ĭ/; integrates and reviews all prior code.[1]

### Quick "Where do I teach…?" Map

- **Short-vowel CVC mastery:** Red → Gold → Green (Set A S1–S4)
- **Digraphs (ch, sh, th, wh, ng):** Purple (Set A S6)
- **Open-syllable CV long vowels:** Grape (Set B S7)
- **Silent-e (VCe):** Blueberry (Set B S8)
- **Suffixes & rimes (-es/-ing/-ed; ild/ind, old/olt/ost):** Lime (Set B S9)
- **Vowel teams & C-le:** Lemon (Set B S10)
- **R-controlled + soft c/g, -dge:** Tangerine (Set B S11)
- **Diphthongs/special vowels:** Raspberry (Set B S12)
- **Designed review cycle:** Grape (Set B S7)

### Implementation Notes

- High-Frequency Words: New, limited HFW sets are introduced per series and spiral cumulatively within decodable text.
- "Review/No New Code" Titles: The Grape series is intentionally consolidative; later fiction series continue to recycle earlier code for distributed practice.
