

Explore & Learn

Spark Wonder, Ignite Learning

Unleash Curiosity During Storytime!

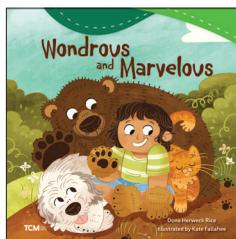

Colorful and dynamic, these books lay the foundation for early learners, igniting curiosity and fostering a passion for learning. And with 42 titles available across Fiction Books, Traditional Songs & Poems, and Nonfiction Wordless Books there's a book for every early education stage.

Select the Storytime Theme

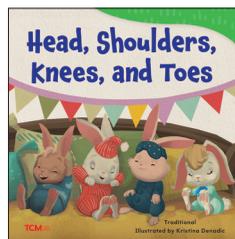

By focusing on themes that enhance cognitive, social, and emotional growth, these books impart valuable skills and knowledge crucial for kindergarten readiness. Mix and match titles based upon your storytime's age and stage and switch out titles to correlate to your group's energy level.

Focus on Reading & Interacting with Children

Storytime set-up has never been easier - we've curated the titles and themes and provided months' worth of age-appropriate titles to support your program.

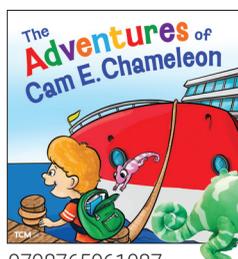

Original Fiction Books

Traditional Songs and Poems

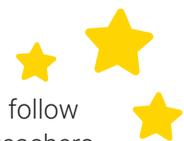

Nonfiction Wordless Books

9798765961087
10" X 10" 32 pages
Hardcover

A delightful story where children meet Cam E. Chameleon and follow her classroom adventures and world travels! The book offers teachers and families countless opportunities to boost language development and share a meaningful reading experience.

Themed Sets for Every Type of Storytime!
