

What to Look For: Overview for Kindergarten (2026)		
Information for Kindergarten	Page	Description
Chapter 1	p. 1-11	The beginning of Numeracy Development
Chapter 2	p. 14-46	Addition and Subtraction to 20 (Kindergarten use numbers to 10)
Mini lessons		Kindergarten Expectations (Ontario 2026)
Dot Plate Pattern Flashes	p.190	A6.4 subitize quantities to 5 A6.8 count to 20 by 1s, starting from any number
Five Frame Flashes	p.191	A6.4 subitize quantities to 5 A6.8 count to 20 by 1s, starting from any number
Math Games and Activities		
Sign In Survey	p. 155	A6.8 count to 20 by 1s, starting from any number A6.10 describe relationships between any two numbers from 0-20 A8.2 collect and record data to answer questions of interest, and display it in concrete graphs or picture graphs A8.3 respond to data in concrete graphs and picture graphs by interpreting it and drawing conclusions
Dot Bingo	p.159	A6.3 identify and write numbers to 20 A6.4 subitize quantities to 5 A6.8 count to 20 by 1s, starting from any number
Tug of War	p.159	A6.4 subitize quantities to 5 A6.8 count to 20 by 1s, starting from any number
Fill the Tower (adapt towers to 20)	p. 161	A6.4 subitize quantities to 5 A6.6 understand the concept of more than, the same (equal), or less than A6.8 count to 20 by 1s, starting from any number
Tug of War	p. 160	A6.4 subitize quantities to 5 A6.8 count to 20 by 1s, starting from any number
Hide the Counters	p. 164	A6.5 compose and decompose quantities to 10 A6.8 count to 20 by 1s, starting from any number A6.12 solve situations involving addition and subtraction to 10
Missing – Part Cards	p. 165	A6.5 compose and decompose quantities to 10 A6.8 count to 20 by 1s, starting from any number A6.11 recall addition facts to 5 and related subtraction facts

		A6.12 solve situations involving addition and subtraction to 10 using concrete materials
Piggy Bank War	p. 165	A6.8 count to 20 by 1s, starting from any number A6.11 recall addition facts to 5 and related subtraction facts A6.12 solve situations involving addition and subtraction to 10
Handful of Dice	p. 169	A6.5 compose and decompose quantities to 10 A6.8 count to 20 by 1s, starting from any number A6.11 recall addition facts to 5 and related subtraction facts
I Spy	p. 169	A6.5 compose and decompose quantities to 10 A6.8 count to 20 by 1s, starting from any number A6.11 recall addition facts to 5 and related subtraction facts A6.12 solve situations involving addition and subtraction to 10 using concrete materials
Go Fish (6 or 10)	p. 171	A6.5 compose and decompose quantities to 10 A6.11 recall addition facts to 5 and related subtraction facts A6.12 solve situations involving addition and subtraction to 10 using concrete materials
Steal the Bundle	p. 174	A6.5 compose and decompose quantities to 10

Information for Kindergarten	Description	Page
Chapter 1	The beginning of Numeracy Development	p. 1-11
Chapter 2	Addition and Subtraction to 20 (Kindergarten use numbers to 10)	p. 14-46
Kindergarten Expectations (Ontario 2026)		Page
A6.3 identify and write numbers to 20	Math Games and Activities: • Dot Bingo	p.159
A6.4 subitize quantities to 5	Mini lessons: • Dot Plate Pattern Flashes • Five Frame Flashes Math Games and Activities: • Dot Bingo • Tug of War • Fill the Tower (adapt towers to 20) • Tug of War	p.190 p.191 p.159-161
A6.5 compose and decompose quantities to 10	Math Games and Activities: • Hide the Counters • Missing – Part Cards • Handful of Dice • I Spy • Go Fish • Steal the Bundle	p. 164-165 p. 169 p. 171 p. 174
A6.6 understand the concept of more than, the same (equal), or less than	Math Games and Activities: • Fill the Tower (adapt towers to 20)	p. 161
A6.8 count to 20 by 1s, starting from any number	Mini lessons: • Dot Plate Pattern Flashes • Five Frame Flashes	p.190-191

	Math Games and Activities: • Sign In Survey • Dot Bingo • Tug of War • Fill the Tower (adapt towers to 20) • Tug of War • Hide the Counters • Missing – Part Cards • Piggy Bank War • Handful of Dice • I Spy	p.159-161 p. 164-165 p. 169
A6.10 describe relationships between any two numbers from 0-20	Math Games and Activities: • Sign In Survey	p. 155
A6.11 recall addition facts to 5 and related subtraction facts	Math Games and Activities: • Missing – Part Cards • Piggy Bank War • Handful of Dice • I Spy • Go Fish	P. 165 p. 169 p. 171
A6.12 solve situations involving addition and subtraction to 10 using concrete materials	Math Games and Activities: • Hide the Counters • Missing – Part Cards • Piggy Bank War • I Spy • Go Fish	p. 164 p. 165 p. 169 p. 171
A8.2 collect and record data to answer questions of interest, and display it in concrete graphs or picture graphs	Math Games and Activities: • Sign In Survey	p. 155
A8.3 respond to data in concrete graphs and picture graphs by interpreting it and drawing conclusions	Math Games and Activities: • Sign In Survey	p. 155
