Unpacking Instructions:

You will receive an assembled box with the following components placed inside from left to right.

Each component is shrink-wrapped (with the exception of the Teacher's Guide).

1. Lesson Cards (16 Cards; shrink-wrapped)
2. Introductory Lesson Card and Student Cards (97 cards; shrink-wrapped in one bundle)
3. Teacher's Guide (1 Teacher's Guide)

How to organize your box:

1. There is one Introductory Lesson Card, which is shrink-wrapped with the Student Cards.
It should be placed at the front of the cards (far left side of the box), before Student Card/lesson A1.
2. Each Lesson Card should be placed before each corresponding set of 6 Student Cards. Place them in order from A1–A16.
3. The Teacher's Guide can be placed at the far right of the box, after the cards and lessons.

Digital Access:

You will find two unique digital access codes printed on the inside of the front cover of the Teacher's Guide. The Teacher access code provides five-year access to the companion website at lsfoundations.pearson.com. The access code can be used in up to three sessions at one time. The Student access code allows access (up to six sessions) to digital versions of the student resources.

Once logged in, you will see

1. Information about Literacy Success Foundations
2. Digital versions of the Student Cards, Lessons, and Teacher's Guide
3. Lesson resources, printable line masters, as well as implementation support videos
