5 Click 'Show Guided Tour' to confirm.

The screenshot shows the Mathology user interface. At the top, there is a navigation bar with the Mathology logo, a search bar, and links for Home, Favourites, Plan, Analytics, Matific Dashboard, and Help. The user's profile is shown as 'on@mathology.ca'. A modal dialog box is open in the center, titled 'Show Planning Tool Guided Tour'. The dialog contains the question 'Would you like to show the Guided Tour again?' and two buttons: 'Cancel' and 'Show Guided Tour'. The 'Show Guided Tour' button is highlighted with an orange circle. In the background, the same 'Select Grades' form and license information from the previous screenshot are visible but dimmed.
