

## Mathematical Recipes

**Fraction Recipe 2**

$\frac{1}{2}$  of the train is green  
 2 cubes are black  
 $\frac{3}{10}$  of the train is grey  
 10 cubes in all

**Percent Recipe 2**

50% of the train is blue  
 20% of the train is yellow  
 20% of the train is red  
 10% of the train is pink

**Fraction Recipe 1**

$\frac{1}{15}$  of the train is grey  
 $\frac{9}{15}$  of the train is red  
 $\frac{5}{15}$  of the train is green

**Percent Recipe 1**

10% of the train is blue  
 30% of the train is green  
 20% of the train is black  
 40% of the train is yellow
