Add Spark Reading shortcut to an iPad home screen

✓ Open the browser and go to https://spark.pearson.com/student/studentcode (Spark student login page)

✓ Click the Share button next to the address bar

✓ Choose "Add to Home Screen"

✓ Choose a name for the shortcut, e.g. Spark Reading

✓ Click Add when you're done.

✓ Tap the new shortcut on your home screen, and it will open the Spark student login page, in its own navigation window
