How to Register Your Teacher Account
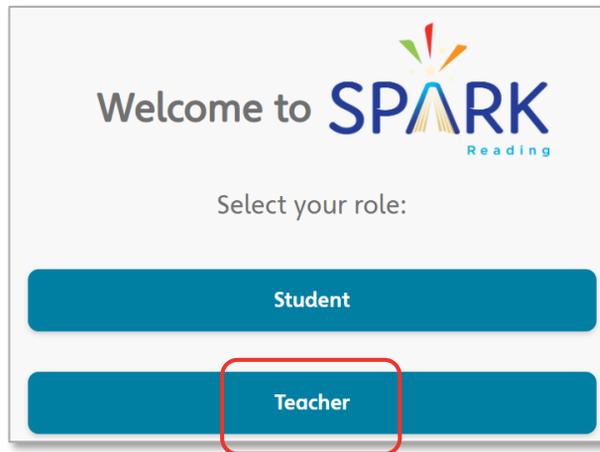

|	
1. Go to https://spark.pearson.com/ and click "Teacher".	**Welcome to SPARK** Reading Select your role: **Student** **Teacher**
2. Click "Create an account". 3. Enter your school board email address and fill in subsequent fields. ***See Step 4 if the "Duplicate Email" pop up appears.** Duplicate Email	**Sign in** Username Spark.Demo Password •••••••• Show Forgot your username or password? **Sign in** By signing in, you agree to our Terms of Use. New to Pearson? **Create an account** --- Email address Confirm email address Username ☑ Same as email address Password Show Your password must have 8 or more characters, at least one uppercase letter, and one number. First name Last name
4. If the "Duplicate Email" pop up appears, click "Sign in".	**Duplicate Email** A Pearson account already exists with that email address. To save time, sign in with your existing account. You will only have one username and password to remember. **Sign in** **Forgot username or password?** Create account anyway

What's happening?

Pearson.com recognizes you as an existing user.
Either you have a Mathology.ca, Spark or other Pearson.com account.

Next Steps:

Enter your email address as your username.

1. Enter the password for a known Pearson.com account.

2. If password is unknown, click on the password reset link. You will receive an email from notifications@pearson.com. Check your junk/spam folders if it does not appear in your inbox.

Once you have your password, you can sign in and follow the next steps to activate your Spark account.
