

BLOCKS AND BUILDING: Additional Activities and Links

Connects to **Building Challenges** on page 179

There are a number of interactive versions of *The Three Little Pigs* available, including The Three Little Pigs app (Nosy Crow) and the version at http://www.literative.com/Download/live.asp?swf=story_files/three_little_pigs_US.swf.

Connects to **Building Towers** on page 179

Use Google Earth's "3D Buildings" with your interactive whiteboard to view three-dimensional towers and other buildings around the world.

Connects to **Model Challenges** on page 181

Allow children to use a tablet, digital camera, or video recorder to capture what they consider to be the most important parts of their building process. The images could then be used for an oral presentation about the structures.

Connects to **Investigating Ramps** on page 184

Together, view the video at

http://www.peepandthebigwideworld.com/guide/vid_buildingramps.html.

Afterwards, some children may like to make a similar video in which they share what they have learned about how things move on a ramp.
