

How Do I Access the Student-Home Website?

Hello and welcome! In this video, I will explain how to access the student-home website and how to sign in. Before you can access the student-home website for *Growing in Faith, Growing in Christ*, you must sign in using the username and password provided to you by your child's school. Contact your child's teacher if you do not have the username and password.

Accessing the Website

There are two ways that a student and their family may access the *Growing in Faith, Growing in Christ* student-home website. The first way is to type the URL of the website into the address bar. Open a new window or tab in your web browser and enter:

<http://www.pearsoncanada.ca/growinginfaith/student-home/>

in the address bar. Press the Enter key on your keyboard.

The second way to access the website is through Pearson Canada's product page for *Growing in Faith, Growing in Christ*. In the address bar of your web browser, enter:

<http://www.pearsoncanada.ca/growinginfaith>

Select "Login to Resource Websites", then select "Student/Home".

This may be a good time to bookmark the sign-in page so that returning to the student-home website is faster and easier. The three most popular web browsers, Google Chrome, Mozilla Firefox, and Internet Explorer, have a star icon to the right of the address bar that can be used to bookmark the sign-in page. If you'd like more support, or for those who do not use the web browsers

mentioned, a quick Internet search should provide the instructions you need.

Signing In

First, find your child's grade in the list of student resources. Select "Sign In". On the page that follows, enter your log-in credentials provided by the school. Select "Log In".

You're in! Welcome to the *Growing in Faith, Growing in Christ* student-home website. Check out our next video "How Can I Get Started?" for a brief introduction to the website and its features.
