

Beatitudes by the Beati-Dudes

Intro: This is a rap about Beatitudes by M.C. Beat and the Beati-Dudes.

Now Jesus was talking to his friends
It was the Sermon on the Mount
He gave a speech about blessings
And how to make them count

Group: What'd he say?

Verse 1: Blessed are the poor in spirit
For Heaven will be theirs
Blessed are those who are sad and mourn
Their comfort will be shared

Verse 2: Blessed are the meek, you know
They're going to inherit the Earth
And those who hunger for what is right
They will satisfy their search

Chorus: Beatitudes, Beatitudes
These are the Beatitudes
I'm M.C. Beat
And we are the Beati-Dudes

Verse 3: Blessed are the merciful
They'll get their mercy too
Blessed are the pure in heart
They'll see God, that's what they'll do

Verse 4: Blessed are the peacemakers
They'll be called God's children
Blessed those who are persecuted
Their kingdom is in Heaven

Chorus: Beatitudes, Beatitudes
These are the Beatitudes
I'm M.C. Beat
And we are the Beati-Dudes

Bridge: Blessed are those who are hated
Only 'cause they love me
It may be hard while they're on this Earth
But in Heaven, they'll be happy

Chorus: Beatitudes, Beatitudes
These are the Beatitudes
I'm M.C. Beat
And we are the Beati-Dudes

CHORUS repeats and fades
