

## 1 Read the emails. Where are Huan and Akio going?

Hi Huan,

I'm looking forward to the winter camp next weekend. I really enjoyed it last year. I think we're going to have fun this year, too. What are you going to take with you? I'm going to take my big winter boots!

I'm not sure what the weather is going to be like, but I know it isn't going to be warm!

What are we going to do on the way home?

Akio

Hi Akio,

The winter camp's going to be awesome! I'm going to take my warmest clothes and my skates.

I looked at the weather forecast and it's going to be cold and sunny on Saturday. That's great because on Saturday we're going to go skating on the lake. On Sunday it's going to snow!

My dad's going to take us bowling on the way home!

See you,

Huan
