Interview your partner by asking the following questions. Take notes that will help you write a profile of your partner.

- What is your full name?
- Where were you born?
- What is your favourite hobby or pastime? How did you get interested in it?
- What is your favourite subject in school?
- If you had to name one thing that you are good at, what would it be?
- Who would you say is your personal hero and why?
- If you could be good at anything in the world, what would it be and why?
- What do you want to be or do when you are an adult?
- Is there anything else that you would like people to know about you?

Once you have interviewed each other, you may prepare your profile in the form of a story, report, electronic presentation, computer-generated newspaper article, poster, or any other form that will highlight the information you have learned about your partner.
