

Duplicate Email Pop-up

What's happening?

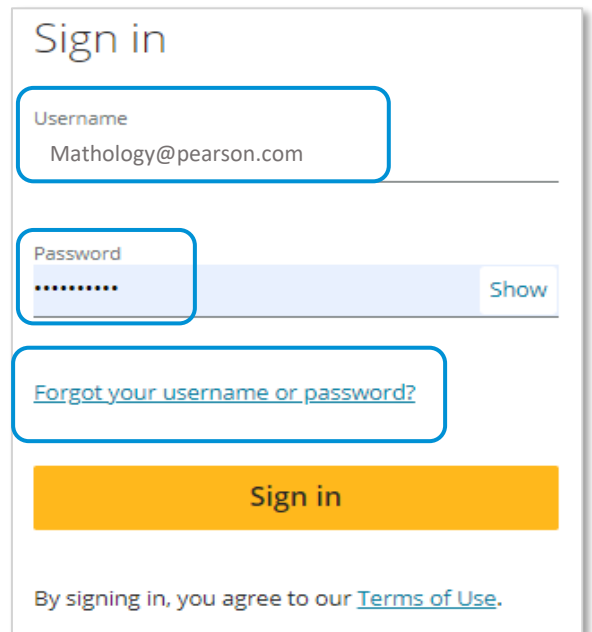

Pearson.com recognizes you as an existing user. Either you have a Mathology.ca, Spark or other Pearson.com account.

Enter your board email address as your username. →

Enter the password for a known Pearson.com account. →

If password is unknown, click on the password reset link. You will receive an email from notifications@pearson.com. Check your junk/spam folders if it does not appear in your inbox. →

Once you have your password, you can return to the [Sign In page](#) and follow the next steps to purchase your Mathology.ca account.

For questions or support, please contact help@mathology.ca.
