

1. From the main window, click **Plan**.
2. Select **All Plans** from the drop-down list.

The screenshot displays the Pearson Mathology website interface. At the top left is the 'mathology' logo. The top navigation bar includes links for 'Home', 'Favourites', 'Plan', 'Analytics', and 'Help'. The 'Plan' menu is open, showing options for 'Most Recent Plan' and 'All Plans'. Below the navigation bar is a blue banner with a notification icon and the text 'Ontario New Curriculum Alignment Charts'. The main content area features the Pearson Mathology logo, a search bar with a magnifying glass icon and a 'Search' button, and a 'Show All Lessons' link. Below the search bar are two buttons: 'Search by Curriculum' and 'Search by Progression'.

3. Scroll down to **Sample Plans** and select the **plan for your grade.**

4. Click the green button labelled **Use Sample Plan**.

5. **Name your plan**, then click **Save** (wait for 5-10 seconds for it to enter your subscription).

The screenshot shows the Mathology interface for a Grade 2 sample long-range pathway. The main content area displays a list of topics on the left and a detailed view of the 'Counting (Sept.)' topic on the right. The 'Counting (Sept.)' view includes a 'Clear All Complete' button and two activity cards: 'What Would You Rather?' and 'Ways to Count'. A modal window titled 'Use Sample Plan' is overlaid on the bottom right, featuring a text input field for the plan name, which is currently 'Long Rang Grade 2 2020/2021', and a green 'Save' button. Orange circles and arrows highlight the 'Use Sample Plan' button in the top right and the 'Name' field and 'Save' button in the modal window.

The screenshot shows the Mathology interface for a Grade 2 plan in 2020/2021. The left sidebar lists clusters with their start dates. The main area shows the details for the 'Counting (Sept.)' cluster, including a 'What Would You Rather?' activity. Two orange circles and arrows highlight the left arrow and the editing pencil icon for the cluster. The right sidebar contains filters for lessons, clusters, grades, strands, and types. At the bottom, there are two preview cards for operational fluency activities.

Within a cluster you can

- (A) Change the order of the lessons
- (B) Pin the lesson to your home page

- (C) Make your own notes
- (D) Delete a lesson

The screenshot displays the Mathology interface for a cluster titled "Compter". On the left, a sidebar lists lessons with progress indicators: "Compter" (0/6), "Comparer et ordonner/ Compter par bonds" (0/5), "Composer et décomposer" (0/6), "Valeur de la position initiale" (0/3), "Aisance avec des opérations" (0/7), and "Littératie financière" (0/2). A green button "Ajouter un nouveau dossier" is visible below the sidebar. The main content area shows a list of lessons under the heading "Compter". Each lesson entry includes a book cover, a title, a "Terminé" checkbox, and a set of icons for order, pin, and delete. Annotations are placed over these icons: (A) over the downward arrow icon, (B) over the pin icon, (C) over the "Write a comment..." text field, and (D) over the delete icon. On the right, a sidebar shows filters for "Toutes les leçons", "Ensembles - Tous", "Toutes les années incluses dans la licence", "Domaine d'étude - Tous", and "Type - Tous". Below the filters, there are preview cards for lessons like "Les regroupements et la valeur de position : Retirer des dizaines" and "Garderie pour chiens chez Luc". A green button "Ajouter une leçon autre que Mathologie" is at the bottom right.
