Planning for Understanding and Agency Unit Design Template

Purpose

Clarity: What is the purpose?	Life-worthiness: Why does this matter for learners?	Content and process: What and how are we learning?

People

Context: Who are the learners?	Responsiveness: What will these learners need?	Inquiry: How will learners' curiosity, voice, and choice be incorporated?

Process

Learning experiences: How will students develop and demonstrate understanding?	Language development: How will learners develop academic vocabulary and discourse skills?	Resources: What will best support learning?
