Unpacking Lesson Support on the Website

The *Phonics Companion* website is structured around three main components, or cards, and contains all the tools you will need to use this resource:

- About This Resource
- Lesson Resources
- Assessments and Teacher Tools

About This Resource

This portion of the site provides background information and related research. Look here for new information and research as it becomes available.

Contents

- Welcome
- Using This Resource
- Related Research
- Glossary

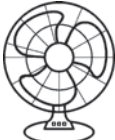

Lesson Resources

This card comprises the heart of the material you will use on a daily basis. Material is organized in groups of four lessons. In this card, you will find letter squares, target and challenge words, as well as game boards needed for each lesson. The files can be displayed or downloaded, depending on how you want to use them. As well, you will find the SLP Corner videos here.

Contents

- all student lesson line masters (PDF)
- SLP Corner videos

Assessments and Teacher Tools

The third card contains modifiable and PDF versions of a range of tools outlined below. You can easily copy and paste text to create versions of the tools you need.

- Overview Chart (by lesson, phoneme, grapheme, target and challenge words, title of application activity)
- Teacher Tool line masters
- Assessment Tools: *The Phonics Companion* Quick Screener, Anecdotal Tracking Sheet, Informal Assessment Record
- Unit Review template (and text for activities)
