

Plus de régularités croissantes

The image contains a large dashed rectangular box divided into three horizontal sections. The top section contains four patterns of squares arranged in a staircase-like shape, increasing in size from left to right. The middle section contains three patterns of squares arranged in a staircase-like shape, also increasing in size from left to right. The bottom section contains three simple patterns: a vertical column of two squares, a horizontal row of three squares with one square centered above it, and a horizontal row of five squares with one square centered above it. A pair of scissors icon is located at the bottom right corner of the dashed box.
