

Master 4

Shape Song

(Sung to the tune of "This Old Man")

Sunny Circle, I can bend.
Watch me roll. I have no end.
Roll, roll, roll. *(Make a circle in the air.)*

Trusty Triangle, they call me.
Count them now. My sides are three.
1, 2, 3. *(Count the three sides as you draw them in the air.)*
1, 2, 3. *(Make a long, skinny triangle.)*
1, 2, 3. *(Make a flat, wide triangle.)*

Rocky Rectangle. Let's take a ride.
I have four corners and four sides.
1-bump-2-bump-3-bump-4-bump.
(Make the corners in the air as you say bump.)

Same-Side Square is my name.
All four sides must be the same.
I have corners just like you,
'cause I'm a square and a rectangle too!

Halty Hexagon, start on top.
My six sides tell you to STOP.
1-2-3-4-5-6-STOP
