

## Shape Song

*(Sung to the tune of "This Old Man")*

Sunny Circle, I can bend.  
Watch me roll. I have no end.  
Roll, roll, roll. *(Make a circle in the air.)*

Trusty Triangle, they call me.  
Count them now. My sides are three.  
1, 2, 3. *(Count the three sides as you draw them  
in the air.)*  
1, 2, 3. *(Make a long, skinny triangle.)*  
1, 2, 3. *(Make a flat, wide triangle.)*

Rocky Rectangle. Let's take a ride.  
I have four corners and four sides.  
1-bump-2-bump-3-bump-4-bump.  
*(Make the corners in the air as you say bump.)*

Same-Side Square is my name.  
All four sides must be the same.  
I have corners just like you,  
'cause I'm a square and a rectangle too!

Halty Hexagon, start on top.  
My six sides tell you to STOP.  
1-2-3-4-5-6-STOP
