

Master 35: Activity 14 Assessment

Slides, Flips, and Turns in Artwork

Slides, Flips, and Turns in Artwork Behaviours/Strategies			
<p>1. Student has difficulty distinguishing between slides, flips, and turns of 2-D shapes.</p> <p>“I don’t know the difference between a flip and a turn.”</p>	<p>2. Student can identify slides, flips, and turns of 2-D shapes, but has difficulty identifying a design when shapes undergo slides, flips, or turns.</p> <p>“I don’t see any designs in this image.”</p>	<p>3. Student can identify slides, flips, and turns in designs, but has difficulty connecting designs to stories.</p> <p>“I see a straight line of triangles sliding across the blanket.”</p>	<p>4. Student identifies designs involving slides, flips, and turns in artwork and creates their own design to tell a story.</p>
Observations/Documentation
