

Master 24: Activity 11 Assessment

Errors and Missing Terms

Finding Errors and Missing Terms Behaviours/Strategies

1. Student takes linking cubes, but struggles to create an increasing pattern.

2. Student makes an increasing pattern with missing terms or errors, but cannot identify the pattern rule of partner's pattern to predict missing term(s) and correct errors.

3. Student explains the rule, but has difficulty predicting missing term(s) in an increasing pattern.

"Start at 2. Add 1 each time."

Observations/Documentation

4. Student explains the rule, but has difficulty correcting errors in an increasing pattern.

"Start at 1. Add 2 each time."

5. Student predicts missing term(s) and corrects errors in increasing patterns, but struggles to explain how an error or missing term was found.

6. Student successfully predicts missing term(s) and corrects errors in increasing patterns and justifies thinking.

Observations/Documentation
