

# Master 79: Intervention Activity 3 Assessment

## The Language of Chance

### Using the Language of Chance Behaviours/Strategies

1. Student struggles to describe the likelihood of an event and chooses words randomly.

2. Student describes the likelihood of an event, but decision is based on beliefs or what she or he wants to happen.

"I am certain to go to the moon because I love spaceships."

3. Student describes the likelihood of an event, but cannot justify thinking.

"I will never see a monkey driving a car, but I don't know why."

4. Student successfully describes the likelihood of an event and justifies thinking.

"I am certain to brush my teeth today because I always brush my teeth when I get up in the morning and before I go to bed at night."

### Observations/Documentation
