Months of the Year

Ordering Months of the Year Behaviours/Strategies				
1. Student understands the attributes of a calendar (months in a year), but cannot say the months in order.	2. Student understands the attributes of a calendar (months in a year) and says the months in order, but loses track of the count. <div>September "January, February, March, ... How many months have I said?"</div>	3. Student understands the attributes of a calendar (months in a year) and orders the months, but is unable to name things he or she might do in a particular month. "I don't know what I do in June."	4. Student understands the attributes of a calendar (months in a year), successfully orders the months, and associates months with events/activities.
