Identifying and Extending Patterns

Identifying and Extending Repeating Patterns

Identifies repeating pattern (one of the changing attributes)	Identifies repeating pattern (two changing attributes)	Identifies core of a repeating pattern	Uses core to extend the repeating pattern
"Shape is changing. The pattern is: star, triangle, triangle."	"Colour and shape are changing."	"The core is: blue star, blue triangle, red triangle."	"I drew the core on a piece of paper and moved it along the pattern to help me extend it."
