

# Activity 7 Assessment

## Comparing and Ordering Quantities

### Comparing and Ordering Quantities

Orders numbers randomly

125 245 179

"I just put down any card."

Models with manipulatives

Uses benchmark on hundred chart or number line

"I compared the numbers to 150."

### Observations/Documentation

Visualizes hundred chart or number line

"I picture 179 farther to the right than 125."

Compares numbers, digit by digit (with the same place value)

"Both start with 1, 2 is less than 7, and 5 is less than 9. So, 125 is less than 179."

Orders three or more quantities (e.g., using early place-value, mental strategies)

179 245 326

"326 is greatest because 3 hundreds is more than both 2 hundreds and 1 hundred."

### Observations/Documentation
