

Activity 12 Assessment

Rounding Numbers

Estimating Numbers			
<p>Compares to benchmark of 10</p> <p>"23 is greater than 10."</p>	<p>Identifies benchmark numbers (multiples of 10)</p> <p>"23 lies between 20 and 30."</p>	<p>Compares to benchmark numbers (multiples of 10)</p>  <p>"23 is closer to 20 than to 30."</p>	<p>Uses benchmark numbers to round to nearest 10</p> <p>"Since 23 is closer to 20 than to 30, 23 rounds to 20."</p>
Observations/Documentation
