

## What Is the Likelihood?

| Possible Outcomes<br>(when turning over<br>a card) | Likelihood         |                            |
|--|--------------------|----------------------------|
|  | _____ out of _____ | Fraction and/or<br>Decimal |
| 1.   |                    |                            |
| 2.   |                    |                            |
| 3.   |                    |                            |
| 4.   |                    |                            |
| 5.   |                    |                            |
| 6.   |                    |                            |
| 7.   |                    |                            |
| 8.   |                    |                            |
| 9.   |                    |                            |
| 10.  |                    |                            |
