Coding Routines

What is this code sequence for?

Code
Start machine
Put in detergent
Choose water temperature
Load washing machine
Open lid
Close lid
Unload washing machine
Open lid

If this code was for doing a load of laundry at your home, would it be in the correct order?

How might you reorganize the steps in the code so that it is accurate? Is more than one sequence possible? Explain.

When we are looking for mistakes/errors in code, we are **debugging**.

Do Part A of the activity.
Use the coding templates on the next page.
