Algebra Unit 2 Line Master 1

Lengths of Relational Rods

We can describe the relational rods using their lengths measured in centimetres (Part A) or decimetres (Part B).

| Rod | Length (cm) |
| :--- | :---: |
| beige | 1 |
| red | 2 |
| light <br> green | 3 |
| purple | 4 |
| yellow | 5 |
| dark <br> green | 6 |
| black | 7 |
| brown | 8 |
| blue | 9 |
| orange | 10 |

| Rod | Length (dm) |
| :--- | :---: |
| beige | 0.1 |
| red | 0.2 |
| light <br> green | 0.3 |
| purple | 0.4 |
| yellow | 0.5 |
| dark <br> green | 0.6 |
| black | 0.7 |
| brown | 0.8 |
| blue | 0.9 |
| orange | 1.0 |
