# Can I Buy It?

## Recording Sheet

I chose \_\_\_\_\_ as a class goal because \_\_\_\_\_.

| Event from Game      | Earnings (Add) | Spending (Subtract) | Savings Balance |
|----------------------|----------------|---------------------|-----------------|
|                      |                |                     | \$50            |
| 1.                   |                |                     |                 |
| 2.                   |                |                     |                 |
| 3.                   |                |                     |                 |
| 4.                   |                |                     |                 |
| 5.                   |                |                     |                 |
| 6.                   |                |                     |                 |
| 7.                   |                |                     |                 |
| 8.                   |                |                     |                 |
| 9.                   |                |                     |                 |
| 10.                  |                |                     |                 |
| <b>Final Balance</b> |                |                     |                 |

How did the decisions you made affect the amount you save?
