

Decodable Books

Read & Succeed

90 Books in the Series!

What makes our decodable books great?

- ✓ Relevant and engaging stories
- ✓ Interesting, informational texts
- ✓ Carefully aligned phonics skill practice

Grade level sets provide year-long phonics practice!

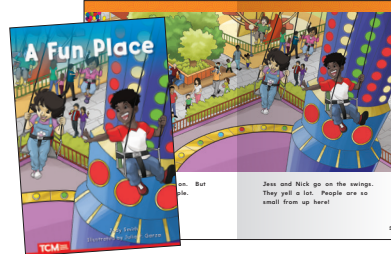

See What's Special about *Decodable Books: Read & Succeed*

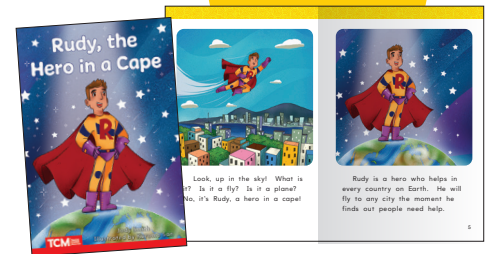

Grade Pre-K-K

Grade 1

Grade 2

Systematic

Introduce K–2 phonics skills in a carefully planned order with logical skill building from easy to complex, based on a systematic scope and sequence developed by literacy experts and aligned with the Science of Reading.

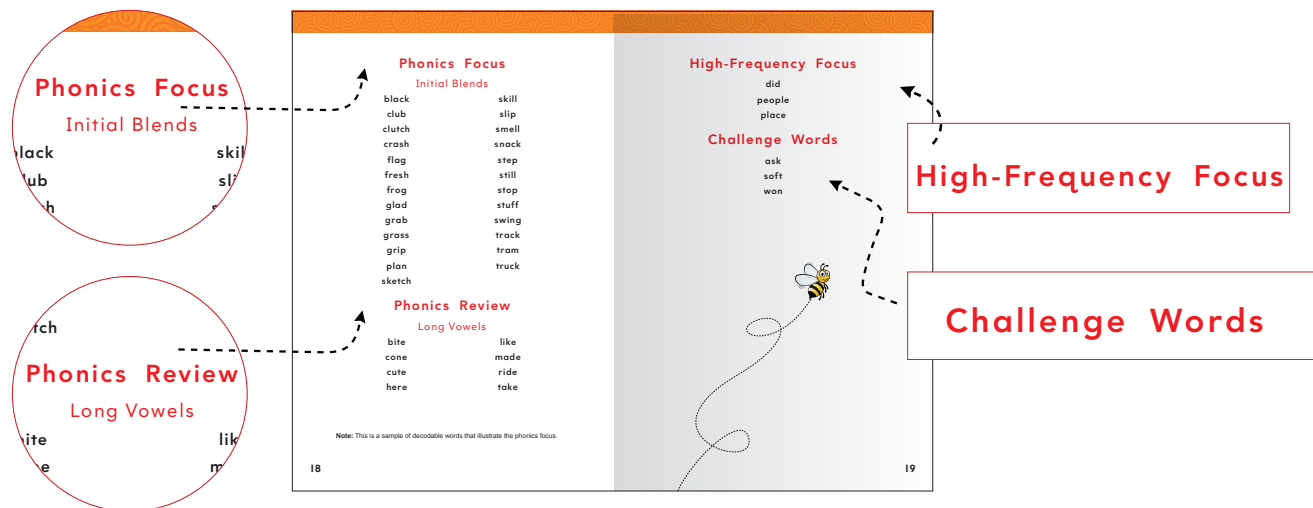

Text-First Options

Practice without pictures before introducing pictures or illustrations that support decoding skills, build vocabulary, and confirm understanding of text.

Highly Decodable

Encounter texts that have been carefully selected to contain previously taught graphemes, phonemes, and high-frequency words and follow common English language structures.

Built-in Phonics Review

Identify the text's Phonics Focus, Phonics Review, High-Frequency Words, and any Challenge Words—an essential aspect of systematic phonics instruction!

Family Engagement

Extend the fun and learning with your young reader!

Phonics Focus

After reading page 2, ask your child what is similar about the words *plum* and *place*. Guide them to see that they both start with *pl*. Have your child say each letter separately and then practice blending the sounds. Together, list other words that start with *pl*.

Connection to Movement

Have your child create three to five movements that relate to pages in the book. For example, they could pretend to get off a tram for page 3, pretend to step on the gas for page 6, and pretend to whack toy frogs for page 10.

Connection to Art

Have your child think of activities they would like to do at a fun place like the one Jess and Nick go to. Have them create a comic strip with four panels to show the activities they would do.

Family Engagement

Every book includes tips and techniques to strengthen the parent/child reading experience.

Grade PK–K, Books #1–15

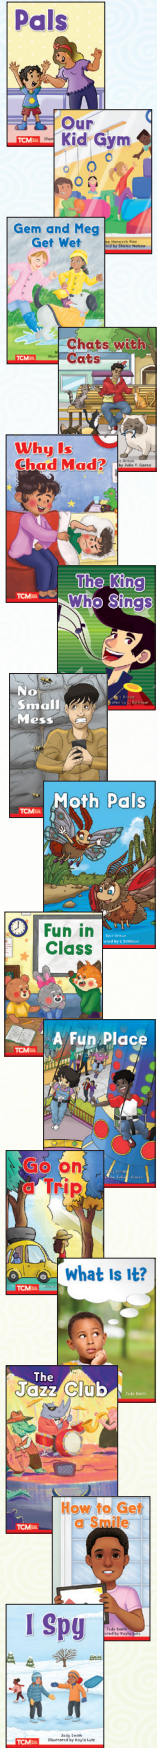

Book Title	Book #	Phonics Focus	High-Frequency Focus (HFW) & Challenge Words (CW)	Genre	Text-First Book	Page Count
